SOUTHERN TOWNS

Distances from One Camp to Another and How to reach Them.

Most people have an indirect knowledge of the location of the vaious newly established towns in the Southern Nevada gold districts few a them have any definite intelligent ides as to where each town actually is and the relative direction and distance of one from an other it will therefore be of interest to many and valuable to some to have them set forth. The following carefully prepared informat ion regarding these localties, the names of which are seen and heard of every day more and more as time passes, but just where they are situa; ed in the broad expanse of souther. country few persons could toil, eve. among some of those interested more or less in mining affairs.

Goldfield is "a mules south of Tone pant 16 miles south of Goldfield a Tank Springs; 29 miles south brings one to Summerville, the new strike which is 3 miles west of Throp's Mil's where is located the Nevada-Goldfier Mining Company's property. 27 miles south from Summerville is Mudas Spring, 8 miles south from Mugata is Old Builfrog or Amagoza (now 10 serted) where the Original Builtros district, now about six months and Three-quarters of a mile south is the new town of Bullfrog, formerly called Bonanze. From Ryolite to Beatt, a to vn of 500 people, is 4 miles north eas, passing the rich Montgomery Edwards mine. Goin arther south samples sent by mail promptly tested from Beatty, 4 miles, one reaches Gold Centre with its 250 people One hundred and ten miles southeast from Bulifing are located the rich strikes Carson City. of Los Vegas, reached by some, via the Chrk railroad and stage.
